Alert Impact — Value Report · February 2025 · Figures in Full

No alerts acted on during this period.

| ALERTS ACTED ON | IMPROVEMENT RATE | RISK AT STAKE | DIDN'T STICK |
|-----------------|------------------|---------------|--------------|
| 0               | —                | Rs. 0.00      | 0            |

**About this report.** The numbers above show **correlation** between each alert being acted on and the metric the rule tracks moving in a subsequent period — not strict causation. Action notes were captured by the user at resolve time and are shown verbatim. Rules without a mapped metric are listed in the “also acted on” section. Generated by Finance Control Console on 25 Apr 2026, 16:16. Figures in Full.
